Practical demonstrations and discussions are important parts of the meetings providing the latest research based information from the University of Kentucky. Mailbox memberships are also available. The program is of interest to all income levels. Any full- or part-time homemaker, male or female, teenager or senior citizen and in-between, may belong. If you are interested in joining or starting a club in your community, please contact your University of Kentucky Extension Office at 654-3395.
