**“Ewenique” Art Walk**
The art walk is scheduled for Saturday, September 14th. Each club is responsible for bringing baked goods to sell. All baked goods will sell for $1.00. If you have them pre-bagged it will help. Pies and cakes are also good and we will have containers for them to be served in. Try to avoid items that will melt! The more we have, the more money we will make, so get your baking on. Please have all baked goods to the Extension Office by Friday, September 13th at 4 PM.

- **Cost:** $10.00 to cover materials
- **Optional:** Food & drinks will be available to purchase.
- **RSVP:** 859.654.3395

**Sewing Club News:**
Sewing club will meet at the Extension Office every Tuesday evening at 5:00 PM. If no school, no class!

**Embroidery Club News:**
Embroidery club will meet on the fourth Tuesday at 10:00 AM at the Extension Office.

**Go Getter Award**
If you have not already done so, please submit your recommendation for the Extension Homemaker Go Getter to our county president, Flo McDonald.

I know there are several deserving candidates out there.

**THE RANDALL BARNETT COUNTY EXTENSION COUNCIL AWARD** is an award given to county extension councils for the work on a county program. Five members of our county extension council (not pictured, Jean Rapp) attended the state council meeting in August to receive our award. The award was given for our work with KRT and the Murder Mystery dinners we worked on with them.

**Funnel Cake Sales at Fair**
Both the cake auction, bringing over $1300 pre Kohls cash, and the funnel cake sale, bringing in $2193 during the fair, made for a fabulous fair week. Thank you to all who volunteered.

**First Flowerbud Meeting**
Our first Flowerbud meeting is under our belt and we are learning. Twenty-six, 25 years old are a handful. We are not taking on new participants, so do not share with family. We are at are limit. With that said, everyone who attended seemed pleased with the program and will be attending future sessions.

**Quilt Club News:**
The quilt club is finishing their medallion quilts in August with a lesson on different types of binding including straight, curved, and with faux piping. Rather than start a new, big project, we are going to do some small seasonal projects. In September, we are making small drawstring jewelry bags. You will need 2 13 1/2" fabric circles and 2 10 1/4" fabric circles. You will also need 2 yards of ribbon and a 3" circle cut from plastic like a margarine tub lid. Come learn and have fun! Mark your calendars for Aug. 19 and Sep. 16 at 6:30 at the Extension office in Flemingsburg.

**Tip of the month:** When you place your cut fabrics or blocks next to your machine preparing to chain piece, stack them by setting each one on top of the one below just a fraction on an inch down and to the left of the one under it. They are easier to pick up and you are less likely to accidentally pick up two stuck together.
Note from Kenna
I will be on vacation August 26—September 9. I will try to answer questions while I am gone and will keep in contact with the office. Not sure my email availability. My cell phone number is 859-462-4433. If important, text or call!

We have a busy fall schedule, be sure to mark all dates on your calendar. Every homemaker is needed to help!

Have a great rest of your summer! Ready for fall colors and cooler temperatures!
