Why is it important to make the most of mealtime? Children of families that share meals together have better academic performance, higher self-esteem, a greater sense of resilience, lower risk of teen pregnancy, lower risk of depression, lower rates of obesity, and a lower likelihood of developing an eating disorder. If children have better relationships with their parents and siblings, they are less likely to try drugs and alcohol.

FRANKENSTEIN DOESN'T WEAR EARMUFFS!

Join us for a Storywalk at the Pendleton County Farmer's Market

Costumes are encouraged, so come dressed up and ready for a frightfully fun event!

Location: PC Farmers' Market Pavilion
